

Smart Water Service Promotion Terms & Conditions If you'd like to take advantage of our 'Smart Water Service' Promotion, please review the Terms and Conditions related to this offer.

These Terms and Conditions for our 'Smart Water Service' Promotion supplement our standard Terms and Conditions for supplying water and waste water services - England & Wales, and water and waste water supply Contract (the "Contract"). If there is a conflict between our standard Terms and Conditions supplying water and waste water services - England & Wales and the Contract, these Smart Water Service Terms and Conditions will take precedence followed by the provisions of the Contract, and then the standard Terms and Conditions of supply.

5. Incomplete Direct Debit mandate forms will be returned to customers by post, with further instructions on how to complete them. Applications will not be processed or introductory bonus applied sent until they are completed and received.
